- **Well logs** were discussed:
 - People are not turning them in and how to motivate.
 - Online submission upgrades to allow **SUBMIT** button.
 - Possible phone app
 - Changes in the form such as not needing a sketch since they have not been proven very helpful in the past.
 - GPS units and apps
 - Possible other format changes : suggestions?

- **CEP points**
 - The four year cycle as been extended to the Dec 31,2024
 - Looking at more ways to make getting points more accessible. (IE: more online options)

- **January 26, 2023** Zoom Meeting with NSE to introduce ourselves to new NSE member **Krysta Montreuil**. She is the new Wells and Groundwater Administrator.

- **Data base overhaul** coming up. Puts upgrades to online submission on hold indefinitely.
